- Chairman JCECEB

Govt. of Jharkhand.

Subject: Regarding secured Hosting of Jharkhand Sites.

Sir,

Kindly refer the above captioned subject, it is to inform that mojour website of Govt. of Jharkhand are running on plain http. There are possibilities that many of such websites and online application are collecting personal Data/Information from end users such as Adhaar number, Mobile number, bank accounts details. An intruder/Hacker may steal information in transit and misuse.

It is advised to make all such websites which collects information or have login page, https enabled. Website administrators should be directed to configure the default site binding to port 443 and redirect all http request to port 443 only.

The above https hosting needs SSL(Secured Socket Layer) certificate for the server. The SSL certificate may be procured from any CA (<http://www.cca.gov.in/cca/?q=CAServicesOverview.html>). This will incur cost also.

Yours faithfully,

8714
